PREFACE

DMJ 107 — Journey with Christ is the fourth movement in the Disciple-Making Journey, moving disciples from maturity into serving and sharing Christ. These twelve lessons help believers walk in the Holy Spirit, serve faithfully, share the Gospel, make disciples, invest in people, and multiply disciples.

ABOUT DMJ 107 — JOURNEY WITH CHRIST

This manual follows SALT: Start, Align, Live, and Transfer. Each lesson contains a Leader's Guide followed by a Participant Guide. The Leader's Guide provides objectives, biblical discussion direction, application, and accountability. The Participant Guide provides space for reflection, notes, commitment, and prayer.

Learning Outcomes

• Understand that Christ calls His followers to serve and share His mission.

• Depend on the Holy Spirit for Christlike character and faithful witness.

• Discover and use spiritual gifts for the good of Christ's body.

• Practice faithful, humble, loving service.

• Clearly communicate the Gospel and explain hope in Christ.

• Make, invest in, and multiply disciples as a lifestyle.

HOW TO USE SALT FOR SMALL GROUP BIBLE DISCUSSION

SALT keeps Bible discussion simple, relational, and actionable. The goal is not merely to finish a lesson, but to encounter God's Word, respond to it, and transfer what we learn into daily life.

S — START

Begin with welcome, prayer, an icebreaker, and a connection between the topic and real life.

A — ALIGN

Read and study Scripture. Bring beliefs, choices, priorities, and attitudes under God's Word.

L — LIVE

Reflect on how biblical truth shapes habits, struggles, relationships, decisions, and daily life.

T — TRANSFER

Make a concrete response. Choose a growth challenge, pray, and share the truth with others.
